

The Early Years Foundation Stage garden is a wonderful area, which is being developed every day. To ensure the garden is **well maintained** and the **children are kept safe**, the following rules must be adhered to at all times:

- ◆ Children are encouraged to **pick up any rubbish** that they find in the garden and **put it in the bin** provided.

- ◆ The flowers and plants in the garden are slowly establishing themselves. Children are encouraged to **observe the flowers** in the garden, but **NOT pick them**. If the children wish to use leaves and petals, they can gently cut them from the bushes on the roadside fence.

- ◆ Children are also encouraged to **observe the creatures** in the garden, but **NOT harm them**.

- ◆ Children are encouraged to **dig in designated areas** only.

- ◆ Children should **only climb on designated climbing equipment**. Not,

- ◆ Children should always **wear suitable clothing** when playing in the garden. **Wellies and waterproof clothing** are available for Nursery and Reception children.

- ◆ The **water tray and hose must always be supervised by an adult**.

- ◆ Please remember to **close the gate** when the garden is no longer in use.

The Early Years Foundation Stage garden is open to **all pupils**, during learning hours (excluding break times and lunch times).

Please feel free to use the garden, should you be able to **make links with your studies**. The garden can also be used as a **peaceful prayer space**.

To ensure the garden is not overcrowded, please **contact Mrs McLaren to book out the garden**.
