Dear Parent / Guardian,

For the academic year 2020/2021, the Government is making available a sum of money to all schools to allow them to develop sports provision within their school. Each individual primary school is able to determine what they believe to be the most appropriate use of this funding.

To find out what the Sport Premium funding has been used for so far in our school, please visit our school web page: <https://stbedesjarrow.co.uk/558-2/>

As parents / carers, we would like to hear your thoughts on what you think the Sport Premium funding could be used for in our school and would appreciate it if you could take the time to answer and return the short questionnaire below.

Thank you for your support,

Mrs K McLaren
(Physical Education Coordinator)
