

Impact of 2020 / 2021 Sport Premium Funding Spend

- This year, we invested in lots of new playground additions from Pentagon Play. This included the “Primary Trail” for the school field, the “Tintagel Modular Play Tower” for the Key Stage 1 yard, the “Sports Trail” for the Key Stage 2 yard and the “Harter Fell Climber with Platform and Slide” for the EYFS garden. This has enabled **all of our pupils to be more physically active and engaged during break times** and has **improved behaviour outside**.
- For the eighth year running, we used some of our Sport Premium funding to take part in the events (including alternative events) ran by South Tyneside School Sport Network - all of which, **enabled our pupils to be more active and participate in more competitive school sport**.
 - All pupils took part in the “12 Days of Christmas”. One of our tasks was to collectively walk 605 hours to the North Pole. We surpassed our goal and **walked a total of 806 hours!**
 - Reception and Year 1 **visited a local sports venue** – The Urban Factory in Hebburn. They got to **take part in some gymnastics and parkour activities**.
 - Pupils from Reception to Year 6 took part in the “Skip Into Summer Project” with Chris Corcoran’s Skipping School. Each week, pupils were taught new skipping skills. Children’s **skipping skills improved significantly** throughout the event. **Many children continue to practise their skipping skills during break times**. Pupils from **KS1 and KS2 then took part in an intra-school skipping competition** against their opposing year group – the winners gaining group house points, certificates and individual medals.
- Our Year 6 pupils were given the opportunity to **take part in paddle boarding and canoeing activities** with “Alexander Adventures” in the summer term – **a sports experience that many would be unlikely to take part in outside of school**.
- Pupils (and staff!) from Reception to Year 6 took part in the “England Does the Daily Mile” event. As many primary schools as possible were encouraged to “get moving” on the same day. **We celebrated the positive benefits that daily activity can have on our mental health**.
- All pupils from Nursery to Year 6 **took part in competitive Sports Days with Elite PE and Wellbeing**. Pupils from Years 2–6 were also offered some FREE **lunch time coaching** with Elite PE and Wellbeing, **taking part in activities such as archery**.
